30.	<b>God wants intimacy with you</b>	34

# *GOD will protect you in difficult situations*

***"For I will defend this city, to save it for My own sake....." – Isaiah 37:35***

You might be going through a difficult path in your life. Your family might be going through problems and tribulations. You might think to run away from your situations as they are pressing you so hard. You might even think of ending your life.

Here comes the good news! There is a hope for you my dear friend. Jesus Christ says to you today: "I will defend you and protect you for My own sake." God's hand will come upon your life and He will protect you. Someone might have come against you in your work place and you started to have this fear of losing your job. Fear not. God will protect your job. Your family life might be at the verge of dissolution but still, you don't want to end it. Tremble not. God will protect your family life and He will bring peace into it. You might be worrying about your exams and studies. Do not worry. God will excel you in your studies and will raise you. You might be going through a broken relationship and you might be feeling bad because of it. Do not be discouraged. God will save you and will lift you from that pit of depression. Whatever the situation you might be going through, God's hand will come upon your life and He will defend and save you.

There was a man from India who started a company which developed anti-virus software for computers. He made Japan as his headquarters and begun to produce anti-virus software. He was a born-again Christian. His business flourished all through the world. But one day, he faced certain problems in his business and he could not solve the problems by his own. Pressure begun to rise up inside his mind and he could not tolerate the pressure of fear. So one day he decided to sell his entire business. Another company agreed to buy his company for 170 crores. As he was deciding to sell the company, suddenly he had a thought to pray to God and ask His counsel. So he began to pray earnestly for God's counsel.

Jesus Christ spoke to him one day through His prophet saying: "My son, do not sell your business to anyone. I will come into your life and will defend you and will protect your business. Surely I will raise you to heights." Even though he was in pressure to sell it, he decided to obey God's counsel. Jesus Christ began to bless his business. In the year before his decision to sell the profit turn-over of his business in India was 7 crore. Immediately after the year in which God spoke, the turn-over was 70 crore. He was so surprised to see the blessings of God in his life. In the same year he is so blessed that he is on his move to buy two American companies. There was a day in his life when he thought of selling his own company. But Jesus Christ intervened in his life and protected his business and then he went on to buy someone's company.

My dear young friend, our God is an awesome God. He will change the situation of your life in a spur of the moment. He will never leave you helpless. He will come into your life and protect you. Not only He protects you, but He will also protect your studies, job, family life, business and everything that belongs to you. So do not worry for anything. In the coming days you will see Jesus Christ protecting you and blessing you abundantly. He will surely fulfil His promise in your life.

**“And so we know and rely on the love of God has for us. God is love....” – I John 4:16**

**“This is love: not that we loved God, but that He loved us and sent His son as an atoning sacrifice for our sins.” – I John 4:10**

Recently I met a guy and we were talking about the love between the opposite genders. He was talking to me about his own life experiences. He had failed in a love relationship in the previous year and now he is in a love relationship with another girl. He was happy about the past failure even though he was not sure about the success rate of the present relationship. As I talked with him he told me one statement which really had surprised me. He told like this: “We can love any girls we want. There is no need for us to worry about the future because once this love matter was known to her parents surely her father will intervene and will not let us to marry. So we can love whoever we want and let not worry about getting married with them for, it won't happen at all.”

I know this guy for more than 2 years and he seemed to be a very good guy to me. Now I understood that because of him, quite a few girls got affected in their mind. He is trying his level best to help them come out of their problem which was caused by him. But yet, what is the use of it when he failed to love them truly.

Many a times, even in our lives we get disappointed when someone doesn't love us the way we want them to. We are thinking of committing suicide as we begun to hate our lives during this bitter path of love failure. We think that no one can understand our pain of love failure, not even God.

When I was at my teenage, I heard so many preachers saying God understand your loneliness because Jesus Christ has gone through loneliness as His disciples had fled away and so on. One day I had a question that how Jesus Christ knows the pain of love failure when He himself had not gone through that path.

As I asked God this question, Jesus Christ spoke to me saying: “I love My children so much, more than anything. As they begun their life with Me, they love Me truly and we are in a love relationship. But when one particular person or any worldly thing brings in temptation in their life, they move away from My love and run behind that temptation. At that moment, My heart grieves since My love relationship was failed. Even when I lived in this earth, I loved My disciple Judas with all My heart as I had loved others. But yet He never cared about My love for him and He had left Me. Even at that moment My heart was broken because of that love failure. My dear son, I had gone through love failure and I am going through it even today. So I understand the pain of the love failure of My children. Even today I love My children who went away from Me for some other love and who are standing now in love failure.”

My dear young friends, Bible tells us that God is love. Even today God loves you so much. You might have left God for some other love and today you might be standing all alone as your love had become a failure. God has so much of love for you.

Even today, Jesus Christ is telling you: “My dear child, I love you so much. I know the pain of your heart. If you come to me today, I will heal all your wounds and I will pour out My love upon your life so that you will forget all the bad days of your life. Do not think that you can come to Me after you become holy. No my dear child. You can't be holy when you stand away from Me. Come to Me now and I will make you Holy by washing your sins with My blood that I had shed for you on the Cross of Calvary. I will never hate you for your deeds. I love you as you are and My love upon you will never change. I am love and I will love you forever.”

The love of human will fail you but God's love will never fail you.

I know a young guy who was physically handicapped from his birth. He studied with me when I was doing my UG degree. He was a good guy and his parents loved him a lot. Things were going fine until he got into a love relationship with a girl in our college. She was a junior to us and both started their relationship in the computer chat and soon they fell in love. He believed that she loved him truly. They went so deep in their love relationship. I know their lives as I was very close to him.

As soon as our college days were over, another handsome guy entered into her life. Slowly, she started to love the other guy and begun to hate my friend to the core. One day she returned back all that he gave and had put an end to their relationship. He could not bear that pain of rejection and failure. He used to close his room for several hours and used to cry sitting in darkness.

He used to say to me that there is no reason to live anymore in this world. He thought that the girl will be his world. But as she rejected him he could not find a reason to live in this world. As his mind was getting filled with the thoughts of suicide, his mother begun to cry to Jesus Christ in prayer. He also believed in Jesus Christ and poured out his heart to Him.

Jesus Christ heard their heart cries and He poured out His love upon him. Soon Jesus Christ took him to another city for higher studies and before he finished his studies, Jesus Christ gave him a good job with high salary package. Not only that, He also blessed him with a loving wife and now He is living happily with his wife.

My dear young friends, God can do the same in your life. If you look to Him, He will change your life for good. He will enable you to overcome the thoughts of your past and He will heal your wounds and remove all your pain.

As you decide to look to God for true love, He promises you today that He will give you a brand new future filled with peace, joy and blessings. God bless you.

# GOD will surely answer your prayer

*“.... Ask and you will receive, and your joy will be complete.” – John 16:24*

During the time of Herod, king of Judea there was a couple named Zechariah and Elizabeth. They were very old and the Lord found them righteous in his sight. Even though they were righteous they didn't have a child. Zechariah was a priest and he served God truly and diligently. They might have been happy because God gave them the grace to serve Him truly. But yet their joy was not complete because their heart desired for a child. They kept on praying to God for a child. God's time came and He answered their prayers by giving them a child. The angel said to him: ***“Do not be afraid, Zechariah; your prayer has been heard. Your wife Elizabeth will bear you a son, and you are to call him John. He will be a joy and delight to you, and many will rejoice because of his birth.” – Luke 1:13, 14***

As they kept on asking God, they received what they had asked for and their joy was complete. Not only them, but others also rejoiced because of the birth of their child. What a blessing God gave them! Even today you might be longing for a blessing. Even after several years of your marriage, you still didn't conceive a child. You want to get married but, you did not get married till now. You might be longing for a job or promotion but you didn't receive it so far. Let not your heart be troubled. Keep asking to God for what you desire. If He finds your desire acceptable in His sight, surely He will bless you with what you have asked for. Surely in the coming days, God will do a miracle in your life and will make you happy.

I know a young guy who studied with me during my PG course. He usually does God's work in a happy way. He always had a desire to do something for God and whenever he gets a chance he served God truly. As we finished our PG course, he had a desire to work in a Christian college but he could not get a job there. He was so sad and he joined in another college. God had blessed him there and he was living a joyful life. One day he came to know about a job opening in the Christian college in which he desired to work. So he rushed there and the administrative people spoke nicely to him and he joined there. He was praying to God for his marriage as it got delayed for so many years. Soon after three months of joining in that college, a marriage proposal came and it got fixed. He was so happy about it and the marriage was scheduled on a summer holiday. But unexpectedly, the management of that particular college asked him to leave the college immediately for no reason.

Grief and sorrow filled his heart for he did not know what to do as the marriage day was getting closer. He could not tell his condition to his fiancée because he feared that the marriage will be stopped if they come to know about it. Though his heart was heavy with sorrow and pain, he turned his face to God in prayer. Jesus Christ heard his heart-cry and gave him a job with very good salary exactly ten days before his marriage. He could not believe what God did but, his joy was at the peak because of the miracle that God did in his life. Now as a young couple, they live happily in the same city where I am working.

My dear friend, tell God your heart's desire. He will hear the cry of your heart and will do a miracle in your life so that your joy will be complete. Ask and you will receive and your joy will be complete. God will not let you go weary. He will bless you and give you rest and joy. God bless you.

# GOD wants you to use your time effectively

In the recent days, we have been hearing so many bad news that were happening around us. Recently two bombs exploded in a Marathon race happened in Boston, America and it killed 3 young people including an 8 year old kid. I read that nearly 150 people got hurt in that explosion and many people lost their legs. Doctors might save the lives of the people who got hurt; but how come they save them from the fear that surrounded their heart and mind. I felt so sad when I heard about this incident. And not too late from this incident, I heard about a strong earthquake that happened in Iran with an estimated magnitude of 7.8 and even though, there was no official announcement about the death rate, many feared death in Iran and the nearby gulf countries.

It was the second biggest earthquake to hit Iran in a week. A week before it was told that a powerful 6.3 magnitude quake shook the country and killed nearly 37 people and injured around 850 people. No one can find a reason why these earthquakes happened in Iran.

Sadness gripped my heart when I heard about those incidents. Then I sat to watch a news channel and it showed a video of a husband pleading the passers-by to help him as he and his family met with an accident. Actually he was travelling along with his wife, little daughter and a son in a two wheeler in a city in India. A truck had hit them and they were thrown to the road. The truck didn't stop and it moved on. Somehow he stood up along with his little boy and he found that his wife and his little daughter were injured badly.

So he pleaded for help holding his little son in his hand. It was a busy road and they say that nearly 23 vehicles passed by but no one stopped to help him. Even there were people who were walking on the roadside passed by just like that after looking at his pathetic situation. I saw the video and I was terribly shocked. Next day I found out from the web that his wife and his daughter died in that accident. How could someone cross a person that casually who was wounded severely in an accident? Where was the love in the hearts of the people? As we hear the news of someone killing others, there were also accidents like this happen which destroys the lives of people. I heard another news of an industrial accident happened in a fertilizer plant in Texas and nearly 15 people killed and many were injured.

As I was thinking about all the incidents and was asking God what we should do in this hour. Holy Spirit reminded me a verse in Bible and spoke to me about the need of this hour. ***Ephesians 5:15,16 “See then that you walk circumspectly, not as fools but as wise, redeeming the time, because the days are evil.”*** Holy Spirit spoke to me clearly saying, "Redeem your time, because the days are evil". As God has spoken through His servants of God, many evil things are happening in the world and God might soon return at any time. Before his return, He has given us time to live and we have to think that how we are using our time. Are we using our time productively for the glory of God or are we using it unnecessarily?

My dear young friends, whatever be your situation right now. You might be living in America or Middle East or India and you might be worried about the things that are happening in your country. Do not get discouraged and do not fear.

All you have to do is turn your face towards Jesus Christ. He will give you His grace to walk uprightly before Him and He will never let your foot to slip. Take refuge in Jesus Christ and He will protect you. Remember that we are living in the days of evil and it is absolutely necessary to redeem our time and to use it for the glory of God.

***“Therefore do not be unwise, but understand what the will of the Lord is.” – Ephesians 5:17***

# GOD will lift your head in due time

**“... I am with you always, even to the end of the age.” – Matthew 28:20**

You may be feeling alone today. You may feel that God was so far away from you. You want to listen to God's voice but yet you could not hear His voice. You are so sad that your prayer seems to be unanswered and you feel so depressed about it. Today Jesus Christ gives you the assurance that He is with you always even to the end of the age. Jesus Christ is not far away from you. He had heard your prayers so far and He will answer them soon. Do not feel anxious about anything for God is with you and He will give you victory. I know a young girl who pursues her UG degree course in a reputed engineering university here in India. She tried her best to live for Christ, but there were times she could not do that as she desired. She had her own weakness and at times she found herself doing unwanted things. But still, she had a faith that Jesus Christ will lift her up.

She entered the final year of her studies with so much hope and soon companies came to that college for campus recruitment. With so much preparation, she attended the placement process of the first company. Many of her friends got through the process and got placed but she didn't. She was so depressed about it and asked God so many questions. But Jesus Christ didn't answer to any of her questions. Somewhere she had a hope that, she will get a job in any one of the companies that was arranged to come to her college. But soon all of her hope was shattered as she could not get into any of those companies.

She lost all her hope but never left God. She used to cry to Jesus Christ for her future. She felt very ashamed to be in the college along with her friends who got placed. All she desired was the course to end so that she can leave the college. Exactly ten days before her course end, she heard that a company is coming to some other college and her college management made the arrangements for the students to go and attend the interview. She also went and nearly 300 students came for the interview. She had put all her hope in Jesus Christ and went for that interview. She never informed her parents about the interview because she didn't want to disappoint them once again. Such was her sorrow.

She attended the interview with so much of depression, but yet God enabled her to clear the entire interview process and finally, by the grace of Jesus Christ she got a job in that reputed company. She was one among the four students who got the job from her college. Jesus Christ answered all her questions in His time by giving her a job in such a reputed company. I know that girl personally and I know the pain she went through till the day before she got that job. There were times she felt that God was not with her but the truth is God was with her and lifted her in His time.

My dear young friends, you might be going through a difficult path thinking that, God has left you. Do not worry. Jesus Christ is with you and even to the end of your life He will be with you and will lead you. You might be longing for a victory in your life, good marks in exam, promotion in work place, a child, a life partner or anything. Remember, Jesus Christ is with you and He will give you all the blessings that you have asked Him for His glory. You are not at all alone. Jesus Christ is with you to bless you, to raise you to high positions, to use you for His glory and to carry you. Keep going with Jesus Christ.

# *GOD will change your Sorrow into Joy*

**“...Nothing shall by any means hurt you.” – Luke 10:19**

You might be filled with fear as soon as you think about your future. Your future seems to be dark as you faced so many failures in your job, studies, or family life. Your health seems to be constantly deteriorating and you might have lost all hope about your future. Today Jesus Christ is promising you that nothing shall by any means hurt or harm you. He will not let anyone to harm you. God promises us in Psalms 91:10, “No evil shall befall you, nor shall any plague come near your dwelling.”

He will protect you according to His promise. Some bad things might have already happened in your life and because of that, you started to think that you have no hope for the future. Do not worry. Jesus Christ will hold your hand and will carry you. You will surely have a good future.

There was a woman from Srilanka who got married to a young man. He got a job in USA and they both went and got settled there. This girl didn't study much and she doesn't know anything about USA. They were non Christians. This couple soon gave birth to a boy child and both lived happily there in USA. The husband and the child is her entire world. She doesn't even know how to travel from one place to another. Suddenly one day as her husband left to his workplace, he met with an accident and died. She doesn't know what to do. Her future seems to be filled with darkness. Her parents rejected her and told her not to return. With a small child to feed she felt so burdened and believed that she has no way to survive in the world.

Daily she used to stay in her home with her child and cry a lot. As days progressed everyone abandoned her and she lost all hope about her future. Since she kept on crying for a lot many days, soon her health got affected. As one day she was lying on her bed and crying, her child started crying out of hunger. She could not get up from her bed because of her worst health condition and at the same time she could not see her child crying in hunger. With so much of sorrow, she cried loudly to God asking him either to help her or to take her life. Immediately, an old man slowly walked into the room and told her that he will take care of her child. He prepared food for the child and fed him. She felt so happy as she thought someone came to help her but then, she realized that all the doors of her house was closed. So with much fear, she asked the old man that how he entered into her house.

As she asked this question, she saw a bright light in her house and Jesus appeared to her and said, “My dear daughter, I heard your cry and I came down to help you. Also I will bless you and raise you in this country.” Having said this, Jesus Christ disappeared and her heart was filled with peace and joy. Her sorrow went away and God's peace filled her life. As God promised, He blessed her and raised her in that country and even now she is living a blessed life there with her child.

My dear young friends, Even though you are going through failures and disappointments, do not get depressed. Trust in the lord Jesus Christ and give your future in His hands. He will carry you and will bless you. No harm will happen to you. No evil can touch you for you are the apple of God's eye. He will protect you. He will fight for you and will raise you. You will be blessed.

# GOD wants you to believe in Him on all situations

**“... They said to them, “Why do you seek the living among the dead? He is not here, but is risen...” – Luke 24:5, 6**

Often when we face troubles for a long time, our faith upon God get weakened. We start to murmur against God and at times we think that, our God has forsaken us. When Job went through pain in his life, he proclaimed his faith through his words and I like one such Bible verse very much that states the faith of Job upon God. **“For I know that my Redeemer lives and, He shall stand at last on the earth.” – Job 19:25**

This is the faith that kept Job in line with God when he faced so many trials and troubles in his life. He lost his wealth, health, his sons and daughters. His wife instead of comforting him, started to discourage him through her words. But yet he went through that painful path with so much faith knowing that, his redeemer lives. God honoured his faith and indeed, he heard God speaking to him and finally God blessed him double-fold.

My dear young friends, you might also be going through a painful situation in each of your lives. I just want to encourage you that your Redeemer lives. Call Him in prayer. He will come into your life's situation and will redeem you. Have faith in Jesus Christ. Do not let your life's situation alter your faith on Jesus Christ.

I heard about a true incident that had happened recently. There lived a missionary couple in North India. They had a son and together they lived happily and did God's ministry among the village and tribal people. They were proclaiming the gospel everywhere they go and some of the other religious group people hated them. So one day as the missionary couple along with their son returning from a town through a jungle, this group of people confronted them, assaulted them and killed the couple. They didn't kill their son. The young boy was less than 10 years old and he didn't run or cried. He stood there as his parents were lying dead in the pool of blood. Some passersby informed the police and they came to the spot. They were so surprised to see the boy standing like this. The head of the police called the boy and asked him, “Aren't you afraid seeing your parents like this. Don't you have any fear about your future?” The young boy simply replied, “I know that my Redeemer lives.”

What a faith he had upon Jesus Christ! Even when his parents were dead, he had known and believed that his Redeemer lives. Can we have faith upon Jesus Christ like this young boy? Let us have faith in Jesus Christ. Let not the situation of our lives alters our faith.

My dear young friends, your Redeemer lives. Believe in Him. Put your trust upon Him. He will bless you and raise you. You will be redeemed.

# GOD has blessed you to bless others

**Luke 6:38 “Give and it will be given to you: good measure, pressed down, shaken together and running over will be put into your bosom. For with the same measure that you use, it will be measured back to you.”**

Few days back, I went to the city where my brothers live. My eldest brother has a son and a daughter. His son is 6 years old and daughter is 4 years old. I like them both. As his son go to school in the school bus, I along with my father went with him to drop him in the bus stop. We were the second to reach that spot and slowly other children came with some elder people. There came a little girl with an elderly woman. I think that the elderly woman might be her grand mom. She was a cute little girl and will be around 7 years old. She had a heavy bag on her shoulders.

As we were waiting for the bus there came a very old man begging for money. He first came to us and my dad gave some coins to him. Slowly he started to move on his way. Seeing this old man, the little girl began to remove her heavy bag from her shoulders. The elderly woman who accompanied her didn't like the little girl's behaviour. In-spite of that, she removed the bag and opened it fast. I was keenly watching her. She opened her bag and took out her snacks box. From that box, she took a biscuit packet. Then she opened it as fast as she could and gave few biscuits to the begging old man. He was so happy about it and put those biscuits in his bag and moved away. Then the little girl gave some biscuits to her school mates who stood nearby. I was so surprised by her behaviour and I felt strongly in my Spirit that she will be blessed for what she did.

Even God wants us to do the same. That's why Jesus Christ told us to give. Bible says in **Luke 6:33, 34 “And if you do good to those who do good to you, what credit is that to you? For even sinners do the same. And if you lend to those from whom you hope to receive back, what credit is that to you? For even sinners lend to sinners to receive as much back.”** Jesus Christ has set an example before us. He came into this world to give His life for us. He gave His life for us so that we might be blessed. He died for us when we did not even deserve to receive such a blessing.

Bible says in **Romans 5:8, “But God demonstrates His own love toward us, in that while we were still sinners, Christ died for us.”**

My dear young friends, Jesus Christ loves you so much even today. All you can give Him back is you. Give yourself to Christ. Give your money to His ministry and needy people around you. Give your time to Christ in prayer and in His work. Give your best to God so that people will be blessed through God. As you give which belongs to you, you will receive God's abundant blessing in your life. Not only you, but your generation also will be blessed. Because Jesus Christ gave His life for us, we are saved. Similarly when you give your time, money, strength or whatever you have to Jesus Christ, many people will be saved through you for His glory. You will also be blessed.

On this day, let us learn to Give and be blessed. Give and it will be given to you.

# GOD will show you a way to go forward

**“And the Lord said to Moses, “....  
Tell the children of Israel to go forward.” – Exodus 14:15**

Most of us know the incident that was given in this chapter. Israelites came out of Egypt. Pharaoh with a mighty army pursued the Israelites. As God asked Israelites to camp by the sea they were camping near the sea. When the Egyptian army came against Israelites, they could not go forward as they faced the Red sea in front of them. They were struck in between the Egyptian army and the sea.

Bible says that their hearts were filled with fear. It happens even in our lives too. There were times in our lives we were chased by the sorrowful things and we could not move forward as we find no way in front of us. At those times, we think that our life has come to an end. Even Israelites thought they will die. But God's word came to Moses asking Israelites to go forward. When God asks us to go forward, we should know that He will go before us and will show a way in which we should walk. As God told Israel people to go forward, He also told Moses, a way to divide the sea. Indeed God went before them and divided the sea and made a dry land for Israelites to walk safe in midst of that roaring Red sea. As the Israelites started to move forward, God did a miracle for them. Even today Jesus Christ is asking you to go forward. Do not stand in midst of the problems and murmur against God or people.

God does not want you to get struck in a place and complain about the difficult situations in your life. He wants you to move forward. When you decide to move forward, He will surely make a way for you and you will be safe in His hands. As Israelites continued to walk in the midst of the sea, the angel of the Lord went behind them and protected them from their enemies. Finally, God destroyed the enemies by drowning them in the sea. Even today as you go forward by putting your faith in God, He will protect you from your enemies and destroy your enemies.

Recently, I came to know about a testimony of a young woman. She came to me and shared with me about how God spoke to her when she went through a tough situation. From her birth till her marriage, she lived in a particular city. As she lived in that city for several years, she liked the city so much. But unfortunately her husband had lost his job in this month. As their family was caught up in a difficult situation; she doesn't know what to do. She has a girl child who was going to school. They feared about their lives as they don't find a way to move forward. But as they prayed to God, He opened a way by giving a job to the husband in another state. She could not accept the blessing as she liked the city she was currently living. So she prayed to God to speak to them in a church service. God spoke to them through the above verse and clearly told them that He will bless them as they go forward to another state. She happily told me that they are leaving as a family in few months and she told me that Jesus Christ will surely bless her family.

My dear young friends, even you might be going through a tough situation in which you don't know what to do. You might be having a fear that you will never get any blessings in your life from God. Do not worry my dear friends. Jesus Christ is telling you to go forward in your life. Jesus Christ will go before you and will show a way in which you should walk. Leave your past failures in the hands of Jesus Christ and go forward. Do not worry about your past, for God is going to do a new thing in your life. As you go forward you will see Jesus Christ doing miracles in your life and protecting you from the hands of your enemies. Go forward and get blessed.

# GOD will protect you from all your enemies

**"No man shall be able to stand before you all the days of your life; as I was with Moses, so I will be with you. I will not leave you nor forsake you." – Joshua 1:5**

When I was a kid, Jesus Christ gave this to me as a lifetime promise through a famous servant of God who lived at that time. Nearly for the past seventeen years, God is fulfilling the promise daily. Even today my mom tells me to pray daily by claiming this verse.

There were times so many people came against me. My teachers who taught me came against my life for various reasons. But God was with me at those times and He fought for me. After I finished my PG degree I joined an institution. I used to do God's work at that time but many colleagues came against me and they wished that, I should be thrown out of the institution. They used to meet as a group and they speak against me and plan things against me. I was so threatened and was filled with fear. One day, I could not bear the pain at all. As I returned from my work place to the hostel, I told myself that I will submit resignation very soon. Immediately, Jesus Christ spoke to me through the Holy Spirit and He told me that He will be with me and I should not resign at all. Then a great divine peace filled me. As God promised, He stood with me and after some years if I look into my workplace; I can see that many of those who came against me had left the institution but God made me to work there even now.

People came against me. One of my authorities came against me. But as Jesus Christ promised, He stood with me at all times and He saved me. He carried me. He sustained me and He protected me. Even today He is leading me safely. Even today, Jesus Christ is promising you that He will be with you and No one can stand against you. People might come against you. Devil might come against you. Your authorities might come against you. Your close friends and relatives might come against you. Your wife or husband or your children might come against you. Do not get discouraged.

Whoever might it be, Jesus Christ is with you. He will stand by your side and will fight for you. He will never leave you nor forsake you. No one can stand against you for Jesus Christ is with you. Surrender your life to Jesus Christ and pray for those who persecute you. Do not try to take revenge on someone who comes against you. Being God's children, we have to pray for those who come against us. God will fight for us.

Whatever might be the situation you are going through, Jesus Christ knows it and He is willing to help you. Look to Him and ask Him to be with you. He will be with you and He will lead you safely. God says in ***Isaiah 43:2, "When you pass through the waters, I will be with you; And through the rivers, they shall not overflow you. When you walk through the fire, you shall not be burned, nor shall the flame scorch you."***

Jesus Christ will be with you at all times. You might be going through financial struggle or struggle in your family life. Do not worry. Jesus Christ is with you. He will protect you and your family life. He will never leave you nor forsake you. Jesus Christ will carry you, protect you and will sustain you. God bless you.

# *Jesus* is waiting for you!

**God says in Jeremiah 31:3, “...I have loved you with an everlasting love; I have drawn you with loving-kindness.”**

In a remote village there lived a widow with her only daughter. Being financially very poor, she struggled to raise her daughter and somehow enabled her to study well. When her daughter grew into a beautiful young woman, she told her mom, “Mom, I know that you have suffered for me and struggled to bring me up. It is enough. Now I will go to work in another city and will earn lots of money and will take care of you”. Having said this, she went to a foreign city leaving behind her mom.

After some days, she got a job. She began to send money every month to her mom without fail. But as days went by she got involved in all kinds of unwanted activities and she began to go behind worldly pleasures and soon she forgot her mother. She started to enjoy a luxurious life. As fate would have it, after few years, she lost all her beauty, wealth and friends. She became lonely without anyone to help her. When all her wealth and beauty disappeared, so did everyone around her. She went into so much depression. At that stage, she felt terribly bad about herself and she began to remember the love of her mother. She remembered the days in which her mother took care of her in spite of all the pain. She felt very guilty about the way she forgot the love of her mother and decided to return to her. She hoped that her mom's love won't have changed and she will forgive her for all her mistakes.

But when she returned home, she was shocked to find that her house was covered with dry leaves and garbage and there was darkness all around the house. She suddenly had a doubt whether her mom was alive or not. When she was about to open the door, she heard her mom calling her by name. She was shocked to see her mother lying in the corner of a room surrounded by darkness. She ran towards her mom with tears and her mom hugged her with great love and acceptance. She wondered how her mom called her by name in that deep darkness. When she asked her mom about that, she replied: “My dearest daughter, from your childhood I know your footsteps. Even though you went far away from me, my heart did not forget you or your footsteps. That's why as you walked on the dry leaves I heard your footsteps and identified that it was you, my beloved daughter”.

Our God's love is much greater than the love of this worldly mother. If a mother could remember the footsteps of her daughter even after many days and years, won't our God remember you, my dear child? God's love is so big and great that He gave His life for you. Jesus says in ***John 15:13 “Greater love hath no man than this that a man lay down his life for his friends”.***

You can never find a love similar to that of God's love anywhere. God will not forget you, forsake you nor will He hate you. My dear Child, come to Jesus Christ who gave His life for you. Return back to Him. Jesus Christ who gave His life for you on the cross still loves you so much and He waits for you.....

# The Never Leaving Saviour

**Jesus Christ says in Matthew 28:20 “... And surely I am with you always, to the very end of the age.”**

What a wonderful promise that God has given us! My dear young friend, God is with you to give you the hope, joy, and peace that you are longing to have. Whatever situation you may be in, God says to you: “My dear son, I am with you and I will not leave you.” Get encouraged my dear friend.

In a particular village, to prove themselves every young man has to spend a whole night being alone in a deep forest with their eyes tied. It's a custom followed by those village people. One day a father took his son into the deep forest and left him there in the midst of darkness with his eyes tied. As midnight approached, the young boy heard lots of horrible animal sounds which made him to tremble. He felt all alone and he thought that he will surely be harmed by any one of the animals. Somehow he managed to stay in that place throughout that night. But when he opened his eyes in the early morning, he was so surprised to see his father sitting on a rock before him with reddish eyes. He understood that he was not all alone on that particular night and his father watched him throughout the night staying awake.

If a worldly father can do this for a son, how much more our loving God who is faithful in His promises will do for you. He loves you a lot. You might go through a tough situation in your life at this moment; but do not be discouraged. Get encouraged. Your creator, who is a loving Father is with you always. He will be with you and guard you throughout your life. As He is with you, no harm or evil shall suppress you. He will take care of your life. God bless you.

# GOD who fulfils your dream

*Genesis 37:5 “Now Joseph had a dream, and he told it to his brothers; and they hated him even more.”*

My dear friend, you have a dream. God is not against you. Every good you desire in Christ Jesus is wonderful to the Father. There is no human being who can help you to see the fulfilment of your desire. Shift your eyes to Jesus. Take your eyes from human being and place them on Jesus Christ who is the living God. The arm of flesh will fail you. Human effort will fail you. Lots of people are around you but you still feel so lonely. You are going through the pit. In the pit there is no one to talk to you and love you. You are going through discouraging & depressing experiences. Even being there in the pit, bound and oppressed by many things; you dream about the future. You are filled with the Holy Spirit. You know Jesus but, yet you are bound to something which is oppressing you.

The entire problems you went through in the past years; all the challenges you went through; all the difficulties you went through are not a waste. Jesus has a purpose for your life. Through every trouble, Joseph got closer to a good future. No matter what problem you are going through, keep Jesus close to you. Start looking up. From there only your help will come. Jesus will never forget you. God has a dream about your life. He wants no sin. He wants His Spirit to reside in you. He wants you to inherit heaven after your life in earth. God wants you to surrender your life entirely to Him. Plan your life in accordance to the will of Jesus and you will prosper. Your help and strength comes from above. Whatever be the dream, talk to Jesus about it. Give Him the dream of your heart. Your enemy is not human being, it's the devil.

Jesus wants to do marvellous things through you and in you. You will not be defeated. Jesus loves you even though everyone around you hates you for your dream. You may be in the pit, but rejoice. Someone might have told wrong things about you, but rejoice. You might feel like being in a prison, but rejoice. Help is on the way. Jesus is on the way.

Prison cannot hold you again. Sorrow will go. The Lord is your strength. He is your savior and He is your provider. Don't feel like being left out. The one who watches over you will not sleep or slumber. You will not die in the pit. Don't give up and don't get discouraged. Your dream will come to pass says the Lord

# GOD

## who lifts up your head

*"Then they took him and cast him into a pit.  
And the pit was empty; there was no water in it." - Genesis 37:24*

Joseph got a promise from the Lord that he will be raised above all. But yet the above verse records that Joseph was in a pit. You might also have got promises from the Lord that He will lift you high and yet you might be in a downward position in your life. You desire for something to happen in your life that will make you happy but, exactly the opposite might happen in your life and that makes you to get discouraged. This might have led you to think that you have no hope for the future.

My dear young friend, today God promises you that you will be the head and not the tail. God is going to change your failures into success; your trials to triumph and your grief to joy. You might be in a pit like Joseph. God says to you today that you are not alone. Joseph was cast away by his own blood relations. God didn't cast him away. God's mighty hand was with him and it carried him to greater blessings. The same gracious hand of God will lift you up from the pit you are in.

When I studied diploma, I went through so many failures and disappointments that made me hate my studies and life. I thought my life will end with an ordinary diploma degree. At that moment, God promised me that He will raise me up. When Jesus Christ promised that He will raise me up, my life was in a total mess and I had no hope of receiving any kind of blessings. Jesus Christ is a God who is faithful in His promises. He began to bless my studies and my life. He opened a way for me to study an engineering degree and then masters degree. Now He had enabled me to pursue doctoral study in engineering.

My dear young friend, Jesus Christ can do the same for you today. Once I was in a deep pit struggling to come out. His gracious hands had lifted me up and it carries me even today. The Lord's gracious hands took Joseph from the pit and raised him to the greatest position that is equivalent to a king. Then Pharaoh said to Joseph, *"Inasmuch as God has shown you all this, there is no one as discerning and wise as you. You shall be over my house, and all my people shall be ruled according to your word; only in regard to the throne will I be greater than you."* And Pharaoh said to Joseph, *"See, I have set you over all the land of Egypt."* - Genesis 41:39-41

The same God who lifted Joseph will lift you up. Jesus Christ is with you and He will make you the head and not the tail. You shall be set above only and not beneath. You might have no one around to help you now. But rejoice in the fact that, Jesus Christ is there for you to help you and give you hope about your future. My dear young friend, your future will not be cut off, for it is in the hands of Jesus Christ. Do not get discouraged. Jesus Christ will wipe away your tears and He will raise you high.

# GOD who is interested in your Interests

***“Delight yourself also in the LORD, and  
He shall give you the desires of your heart.”***

**- Psalms 37:4**

My dear young friend, you might have unfulfilled desires in your heart for a long time. You might have a desire that you long for so many days and yet it was not fulfilled. You might have so many thoughts in your heart but you have not prayed to God about it. Today Jesus Christ is promising you that He will fulfil the desires of your heart. Whatever be your desire, Jesus Christ will grant you the desires of your heart for His glory. Your longing will come to an end says the Holy Spirit.

***Exodus 3:7 And the LORD said: “I have surely seen the oppression of My people who are in Egypt, and have heard their cry because of their taskmasters, for I know their sorrows.”***

God says that He knows the sorrows of the people of Israel and the Bible records that God even heard their hearts groaning. Even today, God knows the sorrow that you have in your heart and He will wipe away all your tears by granting you the desires of your heart. You shall not lack any good thing. Nearly seven years back I joined a Christian Institution for doing my Masters (M.Tech) degree in Electronics engineering. Near to that institution, there was a prayer centre where people usually come and pray for their needs. Worship services will be held daily in that prayer centre. I had a great desire those times to preach God's word to people who come over there. There was no opportunity for me and so I kept my desire within my heart. But I used to go there early in the morning when no one will be present inside that prayer centre. At those times, I run to the pulpit and preach God's word in that empty place thinking as if people are sitting there and keenly listening to me. This continued for several months and I thought no one watched what I am doing. I didn't even spoke about my desire to anyone.

Even though people didn't watch me, God was watching me from Heaven and He understood the desire which I had deep down in my heart. Jesus Christ knows my desire and He fulfilled it. Within a year's time, God opened an opportunity for me to share His word in one of the worship services which was held there. Now as I am working in that Christian Institution, twice in a month I am sharing God's word in that same prayer centre and from the same pulpit in which I stood years back when no one was around. I had never run to anyone to get my desires fulfilled. But Jesus Christ, who knows my inner desires, stretched out His hand and fulfilled my desire.

My dear young friends, you also might have some desires in your heart that glorifies the name of Jesus Christ. Today God will open a way to you through which He will fulfil the desires of your heart. Do not get discouraged. Delight yourself in the Lord and He shall grant you the desires of your heart.

# GOD

## who is a Father to the Fatherless

**II Corinthians 6:18 “I will be a Father to you,  
and you shall be My sons and daughters, Says the LORD Almighty.”**

Are you crying that you have no one to take care of you? Are you feeling like an orphan today with no one around you to help you or understand you? Are you longing for God to bless your life and are you dejected because you have not received your heart's desire yet?

My dear young friend, don't get dejected. Today God promises you that He will be your Father. He will be there always with you and He will never leave you alone. Suicidal thoughts might arise in your mind very often as you feel lonely and dejected. Devil wants to bring an end to your life but, God promises you today that He will do new things in your life.

Jesus Christ says in ***John 10:10 “The thief does not come except to steal, and to kill, and to destroy. I have come that they may have life, and that they may have it more abundantly.”*** Jesus Christ came to this world and gave His life for you because He wants you to have a life blessed with peace and joy. He is your Father and He will carry you as a father carries a child. He will take care of your life and He will never leave you as orphan.

In a city named Chennai in India, there lived a God fearing family. The father of the family did a business with much prayer keeping Christ as the head of his family and business. He had a son and a daughter. The father used to help many servants of God and God's work through the revenue of his business. God's blessing was so evident & abundant in their life. While the elder son of that family is at his very young age, the father fell sick and soon he died. No one had expected that he will die so they were filled with so much of sorrow and fear.

The elder son of that family got devastated and he know not what to do to take care of the family members. He remained in his room crying all the day very badly. Hearing his condition many servants of God came and prayed but nothing can comfort him as his sorrow was so great. As he thought about the uncertain future, a great fear filled him as he has to take care of his sister too. Weeks passed by and he remained crying to God for help.

One day as he was crying badly to God, he saw a glorious light filling his room and there appeared Jesus before him. Jesus Christ said to him, “My dear son, don't cry. Today onwards, I will be your Father and I will never leave you as an orphan.”

His heart got filled with great peace and joy as he understood that he was not an orphan anymore and God is his Father. On that day God wiped away his tears and blessed his life. He began to succeed in the business through God's grace and he took care of his mom and sister well and even today they are alive living a well settled, blessing filled life for the glory of God.

You might also be thinking that you are an orphan since there is no one to take care of you and no one to understand you. God is telling you today: “My dear child, I have created you in My Image. You are not an orphan. I am your Father and I will carry you safe to the blessing filled life which I have in store for you.”

My dear young friend, you are not an orphan for God is your Father. God bless you.

# *God* who will never delay in His response

***"Most assuredly, I say to you that you will weep and lament, but the world will rejoice and you will be sorrowful, but your sorrow will be turned into joy." – John 16:20***

Whenever troubles enter into our lives, often our hearts become shattered by the sorrow they bring in. Often we wonder why am I getting this trouble and we get disheartened by this kind of thought. But Bible clearly states that, there will be many trials in this world. Even after knowing this truth; when we come across such trials and tribulations, our heart gets filled with sorrow.

You might also be treading upon this path of sorrow, sufferings, sickness, poverty or might be under the clutches of sin. But today to you, who are going through this valley of tears; who is walking alone rejected by people; the Almighty God lovingly says: "Your sorrow will be turned into joy." Yes my beloved ones, today Jesus whom you and I worship is going to wipe away all your tears. He will emerge out as a comforter in all of your lives. Yes, He indeed is going to turn your sorrows into joy and His strength will help you to overcome your weakness.

There was a person who was very close to me when I studied my master's degree. After our studies, we got job in different places and we were separated. Soon after some years his family started looking for a bride for him. As his salary was low his marriage keeps getting delayed and his age was also increasing which worried his family members a lot. Their heart was filled with sorrow and disappointment. One day he got a call from an organisation asking him to come for an interview. He went to the interview and got selected. The salary they promised was a big amount; hence he felt so happy and joined that organization. Soon after he got a job, his marriage got fixed and with so much of joy he was preparing for his marriage day.

Nearly one month before his marriage day, he got an order from his department head that he was thrown out of the job. He could not believe it and his whole life seems to be suddenly filled with darkness all around. He doesn't know what to do and he began to shed tears in prayer asking Jesus Christ to help him. As his marriage day came closer, his heart filled with so much of sorrow and grief. In a week he applied to nearly 25 organizations but no one called him back. At that time he begun to put all his hope on God and surrendered his future completely in the gracious hands of Jesus Christ. Everyone around him thought his marriage life will go into a deep trouble as he had no job. As all doors seem to be closed in his life, Jesus Christ opened a way for him. Exactly one week before his marriage he got a job with the same kind of salary which he never even thought of. God blessed him and he blessed his marriage life too. Recently I spoke to him and I found that he was filled with so much of gladness and he told me that his life was filled with peace and blessings of Jesus Christ.

My dear young friend, Jesus Christ will do the same in your life too. He is an unfailing, unchanging and loving God. He is much more powerful than the mountains of trials and sufferings heaped before you. Do not be disheartened. Jesus Christ will open a new way for you and He will turn all your grief to joy. He will go before you and He will make the crooked paths straight. Jesus Christ will surely fill you with His peace and joy. My dear beloved, you will live.

***"For the needy shall not always be forgotten: the expectation of the poor shall not perish forever." – Psalm 9:18***

*"Is it not to share your bread with the hungry, and that you bring to your house the poor who are cast out; When you see the naked, that you cover him, And not hide yourself from your own flesh? Then your light shall break forth like the morning, your healing shall spring forth speedily, and your righteousness shall go before you; the glory of the LORD shall be your rear guard." – Isaiah 58:7, 8.*

Most of the times in our lives, we tend to focus on our own blessings and we forget to help the poor people. I have seen so many rich people struggling hard with sickness and problems all through their life. Bible clearly says in the above verse that if you help the poor and the needy people, your healing will spring forth speedily and the Lord will protect you.

My dear young friends, as you receive God's blessing; give a portion of it to God and also to the needy people. Then surely God will bless you abundantly and He will protect your wealth, health, and your family. Let me share with you a real life story.

Rockefeller was one of the richest men in the world. He was the president of the Standard Oil Company. Once his ships were carrying oil to some other country. Suddenly he received the news that all his ships were caught up in a cyclonic storm in the mid sea. Only then he realized that he did not insure his ships. Since it was a Saturday, the Insurance Company was closed. But he made the concerned person to open the Insurance Company and insured his ships for 150 Dollars. By the time he returned home, he received the news that all his ships landed safely. He lamented, "I lost 150 Dollars. Had I received this news a couple of hours back, I would not have lost his money".

Although he was a millionaire, he was running after money. Therefore he became very sick at the age of 45 and his condition became critical. It was then one of his doctor friends told him, "Sir, how long you are going to save money? You are living only for yourself. Why not you live happily?" Rockefeller asked him, "How can I do that?" Then the doctor said, "Sir, surrender your life to God and share your wealth with the poor. Then God will transform your life". Rockefeller began to do that. Today "the Rockefeller Foundation" is one of the greatest charitable organizations. Medical research works are taking place through his foundation. They are spending millions of dollars to find a remedy for terrible diseases. When Rockefeller started taking care of the poor, the Lord transformed his life and protected him. He lived a healthy life and died at the age of 80.

My dear young friends, when you too feed the poor, the Lord will go before you and protect you. He will also exalt you in the society. Give and it shall be given unto you. God bless you.

# GOD's love never fails

**"Come to Me, all you who are weary and burdened, and I will give you rest."**

**– Matthew 11:28**

You might be in a lonely situation with a restless mind not having any hope about your future; you want to cry badly; but you don't know whom to do so. There is none near to you who can understand your fear and sorrows.

You walk in a lonely path with a heavy burden on your heart and mind. You are weak and tired longing for someone to help you but you have no one to understand you. Today, Jesus Christ is putting an end to your waiting and misery. He is coming into your life asking you to give Him that burden that is bothering you for a long while. He will take away your burden and fill your life with peace and overflowing joy. My dear young friend, today Jesus Christ is saying to you: "My dear child, I will give you rest." Jesus Christ will comfort you and bless you. He will wipe away your tears and He will take away your fears. No harm will touch you for you are His child.

I know a young guy who started his spiritual life on a high note. He had a good relationship with God. But as days progressed, he moved away from God and he fell down in a deep sinful pit. He lost all his joy and his life was filled with grief and guilt. People who came to know about his sin hated him and moved away from him. So many nights he used to cry loudly and hated his life to the core. He doesn't know what to do and how to get back to Jesus Christ. But yet deep down in his heart he cried to God to save him. Jesus Christ saw his pitiful state and He came near to him and lifted him from the sinful pit. He took away his entire burden and He washed away all his sins with His precious blood. Not only that, Jesus Christ also filled his life with his peace and comfort. As Jesus Christ took control of him, his entire life changed in a moment and he lived a very happy life. Even now he is living a blessing-filled life and Jesus Christ is touching so many lives through the testimony of this guy.

You might think that you have no one. But Jesus Christ is there for you. He gave His life for you and He will never forsake you. As you have surrendered your life to Jesus Christ, He will take care of your future. He will give His peace and joy in your family life; in your studies; in your job and in your Spiritual life. Do not be discouraged. Jesus Christ will never leave you; nor forsake you.

My dear young friend who is reading this article, Jesus Christ says to you: "My dear child, I will take your burden and I will not let you fall. I will renew your strength and you will fly high like an eagle. You will have My peace and joy. I will be with you and guide you by keeping my eyes upon you. Whatever you fear about will not happen in your life, for I am your Father who loves you and protect you. I know your needs and I will fulfil all your desires. I will carry you in my arms. You shall not lack anything. Heaven and earth will pass away but My words will never pass away. I will fulfil all the promises that I gave you and you will live peacefully."

# GOD who transforms your life for good

**“You have been hated and left empty with no one passing through. But I will make you great from now on; you will be a place of happiness forever and ever.” – Isaiah 60:15 (NCV)**

**“Whereas you have been forsaken and hated, so that no one went through you, I will make you an eternal excellence, a joy of many generations.” – Isaiah 60:15 (NKJV)**

My dear young friend, you might be going through failures and struggles that makes you feel dejected and discouraged; people around you might have turned their faces against you; whatever you are trying to do is finally ending up as a failure; you are confused and discouraged. Whatever be your past, Jesus Christ is promising you a bright future from this month. “From this day onwards I will make you great and you will be a place of happiness forever and ever” says Jesus Christ to you. No more failures will you see. No more sorrows will you see. Jesus Christ will change your life for good.

Recently, I heard about the life testimony of a young guy. When he was a small child, his mother died and his father re-married another woman. The new step-mother began to torture him and his sister without the knowledge of his father. The only comfort to him is the love of his sister. But one day his sister ran away from home as she could not able to withstand the torture. That forced him also to run away from his home at a very young age.

He hated his life and he developed hatred against God too. He begun to work in a market place and lived there itself. He worked hard from his childhood and within some years he earned some money with which he continued his studies. He finished his studies with distinction. As days passed by, he missed his sister a lot and that made him to hate his life.

One day as he was walking on a road, he heard God's voice calling him “My Son”. No one called him my son after the death of his mother. He was hated by everyone around him and there is no one to love him at all. He was touched by that loving voice of God but yet he didn't give his life to God. He began to enjoy the worldly pleasures. The worldly people with whom he enjoyed his life had forsaken him and he got affected mentally. He lost all his money and began to wander in road sides. On a particular day as he was wondering on road side, Jesus Christ called him again, “My Son”. Not only that, God also led him into a church service on the same day. As he entered the church service God called out his name and blessed him through the man of God who is praying at that time. As Jesus Christ blessed him, he got healed from his mental problem and he surrendered his life completely to God.

Step by step God took him to heights of blessing and he became a manager in a reputed company. And then God called him for full time ministry and now he is doing God's work along with his wife and little child.

My dear young friends, this was a true story. Once he was forsaken by people around him and now Jesus Christ has blessed him in such a way that he was a source of blessing to many people around the world. God has raised him to such a level that even a movie was released based on his testimony.

Jesus Christ will do the same thing in your life too. Today you might not have any blessings and happiness in your life. But from this month on, Jesus Christ will bless you abundantly and He will make you great. You will be filled with happiness and you will be a source of blessing to many in the coming days. Jesus Christ will not leave you; nor forsake you. You are His child and He will bless you. He will remove your sorrow and He will fill your life with His joy and His blessings. May God bless you abundantly.

# GOD will not forget your prayer

*“For thus says the LORD: you shall not see wind, nor shall you see rain; yet that valley shall be filled with water, so that you ..... may drink.”*

- 2 Kings 3:17

My dear young friends, God is going to do wonders in your life. He is going to do things that you have not imagined in your life. Jesus Christ wants to bless you abundantly and He will bless you.

You might have waited so long for a particular blessing in your life. Holy Spirit is promising you that you will receive that long awaited blessing. You might have asked God for a particular blessing long time ago. You didn't get an answer at that time. Then you just forgot about that. But Jesus Christ has not forgotten your desire and your prayers. Very soon, you will get that blessing and you will glorify God with praises.

There might be no sign of wind in your life; there might be no sign of rain in your life; yet your valley will be filled with waters. Right now, there might be no sign of any blessings that you have desired. But God can change your life in a single moment. If you read Exodus 16, we can understand that the people of Israel long to eat meat in the wilderness. They were in the wilderness and there was no chance of any blessings of meat. But in that evening their camp was covered with meat. God did that miracle for them. He can do the same for you too. God can bless you even in your path of wilderness.

Few years back, my father came to know about a young girl. Her family was well settled. She had three sisters and they were given in marriage to unbelievers. She began to love Jesus Christ and she longed to get married to a person who knows and loves Jesus Christ a lot. Her father was a politician and he showed much interest in politics than finding a saved groom for his daughter. Years passed by, but she could not get married. I met her few months before and found that, her age was 34. I came to know that God has promised her that she will get married soon. I was wondering how God will do a miracle at this point of her life and make her happy. When I met her she was in frustration and disappointment.

Previous week I went to my brother's home and as I entered his home, I found a marriage invitation. When I opened it, I was so surprised to know that God gave her a groom who has a good job and who is also a firm believer of Christ. My dad told me that she too was so surprised by the way God has done a miracle in her life. Few days back she happily got married by the grace of Jesus Christ. God can do that to you also. You have to put your faith in Jesus Christ. He is a faithful God. He will never disappoint you.

Are you waiting to get a good job? Are you waiting to get married? Are you waiting for your promotion? Are you waiting for God to bless you with a child? Are you waiting for blessing in your studies? Are you waiting for God to lift you up from the sinful pit? Are you waiting to be delivered from your sickness and sins?

Jesus Christ will put an end to the days of your mourning. Your days of longing and waiting will be put to an end by Jesus Christ. Your life will soon be filled with His joy and His blessings.

*Do not get discouraged. For surely there is an end,  
and your hope will not be cut off. (Proverbs 23:18)*

God  
will give you His best

**“Yes, the Lord will give what is good...”**

**– Psalms 85:12**

**“He would have fed them also with the finest of wheat; and with honey from the rock I would have satisfied you.”**

**– Psalms 81:16**

I got married in the year 2012. Years has passed by. The way that God has led me to find my wife was an amazing one. On May 2010, my parents decided to find a girl for me to get married. We as a family prayed for the matter. God spoke to us and He said that I should marry a girl according to His will and not my own will. Jesus Christ also told me that He will give me a good girl as wife.

We started to search for the girl with much prayer. Many proposals came from different families and whenever a proposal comes we used to take that to God in prayer. For some proposal He used to say no and for some He stays quiet. There were some moments in which I thought this girl should be God's choice for me and eagerly waited at His presence. But nothing worked out.

We as a family thought I will get married by December 2010. But there was no progress at all. Days rolled by. We reached May 2012. I could never imagine that I waited for two years for God to say a yes. I still remember the first proposal that came to our family on May 2010. She was a doctor and was doing M.D at that time and her younger sister was studying in a college. God said no to that proposal and so we pushed it aside. In the year 2012, accidentally my mom talked to a family regarding a proposal for marriage and we found that the girl was the younger sister of that doctor girl. I don't know what their parents would have thought. They would have thought that we were mad waiting these many days. Like this, we waited for God's answer but nothing happened. Many people mocked at us. But yet God's grace was sufficient for us to endure the words of human.

During May 2012, so many proposals came and God also promised us that He will reveal His will very soon. One day a proposal came from a good family and the girl has completed PG degree in engineering. As usual we took that proposal to God but we didn't get an answer at all. My mom was so frustrated that she came to me one evening and told me like this: “It's enough doing like this and we will not see any girl. We will go to this girl's house and talk to their family and later we will decide what to do.” I really don't know what to do. I myself slowly began to lose all hope. I saw that girl's photo and I also thought what my mom said was correct that we should visit their home even if God didn't answer. But on that evening, Holy Spirit spoke to me which I will never forget in my life time. He said to me: “My dear son, do not settle at the second best.”

Later when I prayed, I found that the girl even though she was not God's best in my life, I can marry her. But if I marry her surely it will be second best and not the God's best. So I decided to find God's best in my life and rejected that proposal.

Within a month another proposal came from a family and God said a strong yes to that proposal. I never thought that God will say yes; but He said yes. Not only that, He also promised that the marriage life will be a blessed one and it will be filled with His peace. We as a family were so happy and within two months, God enabled us to finish the marriage function. His presence guided us in all ways and He did everything beautifully in His time.

My dear young friends do not try to settle at the second best. You might be looking for a future partner. You might like a girl or a boy who seems to be the perfect match to you. You have a desire to get married with him/her. Let me tell you my dear young friend, if your relationship was not according to God's will, you will never find His best blessings in your life. You can select your own life partner according to your own will. You will still have blessings in your life. God will not put you down because you have married according to your own will. But yet God's purpose in your life will not be fulfilled to the fullest. You have to make sacrifice to fulfil God's will.

I won't say that I and my wife didn't even had one fight in this one month. Misunderstanding had come between us and there were tough moments but in spite of all that, God's peace is residing in our hearts. Day by day, I am falling in love with her because of God's grace. She is a like a child to me and God is enabling me to love her as she is. I can tell you that every single moment, Holy Spirit is teaching me how to take care of her and the family matters.

My dear young friends, Holy Spirit put in my heart to tell you that don't try to settle at the second best. Look to God. He will enable you to do His best. God will always do good to you and He will bless you with the finest blessings. When you do God's will in your life, your life will be filled with great joy and peace and God's heart will also be filled with so much joy as you do His will. He will be proud about you. Are you ready to make a sacrifice for God?

# **GOD holds your future in His hands**

*“A little one shall become a thousand and a small one a strong nation. I, the Lord, will hasten it in its time.” – Isaiah 60:22*

You might be oppressed by people around you. You might be in a state of misery fearing that your life will come to an end without having joy and blessing. You might feel that you are good for nothing. You might be so anxious about your spiritual life which didn't yield any fruits yet. Few years back, I also went through a situation in which I was longing to have blessing in my spiritual life and worldly life; but all my efforts went in vain. I was deeply hurt. I myself looked at my pitiful state and was deeply discouraged knowing that I am good for nothing. As I walked on the path of sorrow, Holy Spirit spoke to me one day and He said like this: “The beauty of a half built building can be seen only by the person who has the entire plan of that building. Similarly the beauty and the blessings of your future can be seen only by God who knows and has the entire plan of your future. You are half built now and you might look different. God will fulfil His plan in your life and then you will be a blessing” The words of the Holy Spirit revealed me the truth about my future and I was greatly comforted through His words.

My dear young friends, you might also be going through the same path. Now you might not be a blessing to your parents, neighbours, and friends. You long to grow in God but every time you end up failing. Your life might be filled with sorrow, failures, and discouragement. Remember that your future does not depend on your past or present. God can change your life at any moment. Your life is in His hands and He will bless you.

Bible records in Genesis 16:1 about the life of Sarah. She was barren. But if you read Genesis 21:2 we can understand that her life was not ended like that. God changed her situation and gave her a child. Although Sarah was barren, Lord brought forth a promised generation through her. There were many examples in Bible which prove to us that God can change the situation of our life at any moment.

Rachel was barren. By the grace of God she gave birth to Joseph who later became a great blessing to a nation. (Genesis 29:31 and Genesis 30:22) Hannah was barren. Through her God brought forth a great prophet Samuel and blessed the people of Israel through him. (I Samuel 1:5 and I Samuel 1:20)

Elizabeth was barren. But her life did not end that way. God blessed her by giving John the Baptist through whom several people returned back to the kingdom of God. (Luke 1:7 and Luke 1:57) Similarly you might be barren physically. That doesn't mean that your life is going to end in that way. If you look to God He will bless you with a child. He is a God who fulfils His promises. You might be barren spiritually and you might not be useful for anything now. You also have to remember that your life is not going to end in that way itself. You might go through problems and difficulties now. You also have to know that your life is not going to end in that way itself. Whatever is your problem, Jesus Christ will change your sorrow into joy and He will bless you abundantly.

Jesus Christ says to you today “My dear child, you are not going to be the same. I will enter into your life and I will show and teach you the things that you don't know. I will be your guide and I will raise you. People will see the light shining through your life and they will come to you and you will be a blessing. I am moulding your life now so that you will be a blessing to many in future. Today you might not be useful but remember you are clay in my hands and I have not finished working on you. I will make you strong and you will be a blessing.”

Do not be discouraged my dear young friends. Surrender your life to Jesus Christ. You might be a little and small one, but God will make you a thousand and a strong nation. Never estimate your future by your past and present. God will do new things in your life and He will raise you in His time. Stay in the hands of God and be blessed.

# GOD will change your wilderness into a valley of Joy

***“But now, thus says the Lord, who created you, O Jacob, And He who formed you, O Israel: Fear not, for I have redeemed you; I have called you by your name; You are Mine.” – Isaiah 43:1***

Today you might be walking through the path of sorrow and dejection. You might feel lost in this world. Do not worry. God is telling you today: “You are Mine”.

My dear young friends, you belong to God. You are God's own people. If you read 1 Peter 2:9 you can understand that you are a chosen generation and His own special people. ***Deuteronomy 7:6 says like this: “For you are a holy people to the Lord your God; the Lord your God has chosen you to be a people for Him, a special treasure above all the people on the face of the earth.”*** Today God wants you to know that; you belong to Him and He has chosen you for a purpose. He loves you with a great zeal. You are special to Him. You might live in sin and you might have moved far away from Jesus Christ. Do not get discouraged for, He still loves you.

Holy Spirit had put in my heart to share with you three blessing that God has in store for His own people. As you belong to God, He will bless you with these blessings in this month.

## 1. You will never be put to shame.

***“You shall eat in plenty and be satisfied, and praise the name of the Lord your God, who has dealt wondrously with you; and My people shall never be put to shame.” – Joel 2:26***

The first promise that God is giving you today is “you will never be put to shame.” You might go through a path of difficulty in your studies, job or family life. You might be struggling hard in your life. As you have looked to Jesus Christ for help, you will never be put to shame. He will grant you victory. He will raise you high.

## 2. You will be satisfied with God's goodness.

***“....My people shall be satisfied with My goodness, says the Lord.” – Jeremiah 31:14***

You might not have received the blessing that you are craving for. You might be discouraged as you are waiting for a particular blessing for a long time. You might be desperate to receive God's blessings. Surely, you will be satisfied with His goodness.

You want to do something for the glory of God but some guilt is tormenting you a lot. You are saying to yourself that you are not a good person and you will never be useful to Jesus Christ. Today Holy Spirit is telling you, “You are chosen by Jesus Christ. He has already forgiven you. Do not remember your past sins and hurts. Jesus Christ will fill you with a special anointing and your coming days will be filled with blessings.”

### **3. You will see God opening new ways for you.**

*“....I give waters in the wilderness and rivers in the desert, to give drink to My people, My chosen.” – Isaiah 43:20*

You have to remember that you worship a Mighty and Loving God who brings forth waters out of the wilderness and desert for His people. You might feel like all the doors for your future has been shut and there is no way to move forward. You might be facing hurdles in your work place or your family life or your studies. Do not lose hope. Jesus Christ is there for you. He will go before you and remove all the hurdles in your life. He brings out rivers from the desert. You might also go through a desert experience in your life currently. But, Jesus Christ is promising you today that the rivers of blessings will flow into your life.

My dear young friends surrender your life to Jesus Christ. He wants to bless you abundantly. Psalm 34:5 says like this: “They looked to Him and were radiant, and their faces were not ashamed.” All you have to do is to fix your eyes on God to receive His blessings.

I heard about a testimony of a young woman who received a blessing from Jesus Christ. She was happily married and her life was going well. But even after some years of marriage, she had no child. She was so sad that she was not able to conceive a child. Days rolled on. She faced so much of shame among her relatives, there was no peace in her life and her future seems to be dark without any blessing.

One day she decided to pour out her heart to Jesus Christ. She prayed very earnestly for a child and Jesus Christ heard her prayer. She could not control her joy when she came to know that she was carrying a child in her womb. Happily she went to a doctor for a check-up. They took a scan and told her the shocking news. They told that her child has only one kidney and the child won't survive. So they advised her to abort that child.

She could not bear her grief. She went to another doctor and he also said the same. Again she went to another doctor but, the third doctor also told her the same. Hearing all those words from the doctors she ran to the feet of the Lord and cried terribly. She came out of her prayer room and told her family people like this: “I belong to God and the child I carry was given by Him. I know my Jesus will never forsake me and He will do a miracle for me.”

Everyone around her including the doctors thought she gone mad. She continued looking to God. Finally the birth day came and the doctors carried the child to the scan room immediately after the birth. They scanned the child and to their surprise; they found that the child was well with two kidneys. Even today the child is alive and healthy. As the mother of the child looked to Jesus Christ for help she received a miracle. She was not ashamed at the end; she got a miracle from God and Jesus Christ turned her wilderness to rivers of blessing. Jesus Christ will do the same for you.

My dear young friends, you are God's own people and if you look to Jesus Christ,

You will not be put to shame

You will receive God's goodness

He will make a way for you in the wilderness and rivers of blessings will flow into your life.

**GOD will change your wilderness  
info a valley of Joy**

# GOD's grace will help you to lead a triumphant Christian life

"How many times I would fall?" I hate myself whenever I was confronted with this question in my mind. Countless times I had fallen and I still keep falling in sin. Every time I fell into a temptation, I take a decision not to fall again but my decisions go in vain.

Whom can I blame except me, for I am the sole reason behind what I am doing. When I take the blame upon myself, all I am doing is nothing but hating myself to the core. Whenever I face any temptation or lust, I forget my Saviour Jesus Christ who died for me at the cross. I know Him personally and He is so close to my heart. I love Him so much and I want to live for Him alone. I want to do things which glorify His Name. My heart's desire is to live for Him and for Him alone.

But yet when I face temptation and lust, I just walk into it leaving my Saviour behind. Oh! how can I justify my wrong doings? I can't justify it and so again I blame and hate myself. As I hate myself, the question which immediately arises in my mind is "why should I live". I don't even find a single reason worthy enough to live as I know my life is useful to none.

Throughout my life all I gave to my Loving Saviour is pain and agony. Several times; I told Him that I won't repeat my mistakes but not even a moment I kept my promise. Why should I live when I am not even a blessing to one person? So I decide to end my life.

I want to live to do something for God. But I tried my best to do that and failed miserably. I thought of dying but actually I don't want to die. I want to live for Jesus Christ but I don't know how to do that. At this moment, I wish I would be better if someone shows me a true caring love. But none in this world cares for me. They are busy with their own worries. How could they stop and listen to someone in pain when they themselves don't know the way to solve their own problems. I could not find anyone who loves me truly. No one is there in this world to comfort me.

My heart is filled with so much of sorrow and pain that I want to cry loudly. I was alone on the path of putting an end to my life as I lost all my hope. As tears flooded out of my eyes and as I was crying aloud, I heard the still voice of Jesus Christ. He said to me "My dear child, I love you and I am not far away from you. My love upon you is everlasting. I will wipe away your tears. I will heal your wounds and I will turn your sorrows into joy. I know that you are struggling now because of your weakness. But remember, My grace is sufficient for you. My grace will never fail you. It will strengthen you. I will pour out My Spirit upon you and I will set you free from your weakness. I will hold your hand and I will carry you into the bright and prosperous future which I have planned for you. You are My child and you will always be Mine."

As I heard His voice, all my sorrows were vanished and a divine peace filled my heart for I know His grace is sufficient for me. Jesus Christ says the same to you today. Whatever be the situation you are in right now, remember His grace is sufficient for you.

# Jesus Christ is longing to hear your prayer

***“Then his disciples came and took away the body and buried it, and went and told Jesus.” - Matthew 14:12***

John the Baptist was beheaded in prison. His ministry came to an end by that episode. His disciples would have felt bad when they heard the news of his death. Their heart might have filled with great sorrow for, they lost their master who had guided and nurtured them to grow spiritually. With so much sorrow and pain; they went and took the body of their master and buried it. They might have shed so many tears seeing the beheaded body of their master. It's true that they were in sorrow and have lost all hope about their future. But they had known what they have to do. They immediately went to Jesus after the burial and told Him about all that had happened.

What are you doing in the path of sorrow, depression, discouragement, failure, and pain?

You might be in sorrow and pain. Your life might be filled with tears. Your heart might have filled with great burden. All you have to do is: Go and tell Jesus. He will hear your heart's cry and He will change your life's situation. I know a young guy who always tried to live a life which was pleasing to God. But at one particular moment of his life, he could not get closer to God as he desired. He was far away from God and he doesn't know what to do. His heart was filled with so much of grief and pain. No one helped him in that situation. On the midnight of one particular day, he was feeling so bad about his life. He couldn't sleep on that night for, his heart was filled with so many burdens. He had no words to tell God about his life for he hated himself for all his failures in life. He cried very badly on that night. Around 2 o clock early morning, he decided to write a letter to God. But he had chosen a very bad way to write a letter.

As his life was full of darkness, with tears he started writing a letter to Jesus Christ with his blood. For almost an hour, he slowly wounded his body with a sharp material and with his blood he wrote a letter to Jesus Christ. All he had written in one hour with his blood was this: “DO NOT HATE ME DAD AND PLEASE SAVE ME” Jesus Christ had shed His blood for us. So there is no need for us to shed any blood. What the young guy done was terribly wrong but he didn't know what he was doing. His heart was filled with so much sorrow and that made him act in such a terrible way. Though he had chosen a wrong way; shedding his blood to write a letter, God looked into his heart. He told Jesus Christ all his problems.

Jesus Christ heard his prayers and touched his life. He had changed his life completely and gave him back all that he lost. God's divine peace filled his life and Jesus Christ started to bless him abundantly. Now he is living a peaceful life with his family and doing God's ministry.

My dear young friends, you might also be in a desperate situation not knowing what to do. Just Go to Jesus in prayer and tell him all your problems. He will hear your prayers and will surely do a miracle in your life. You will surely be blessed by God.

# **GOD will change the adverse situations in your life into Blessed ones**

*Esther 3:15 “..... the city of Shushan was perplexed.”*

Esther was an orphan. She was taken care by a man named Mordecai. Bible says Mordecai took her as his own daughter. God raised Esther to be the Queen in the kingdom of Ahasuerus. You might also be living like an orphan. You might have lost your father or mother or both. You might have your parents but, yet you live like an orphan for they don't care about you at all. Do not worry about your future.

God who raised Esther as a queen will also raise you to a highest position in the society you are living in. Surely God will do mighty things in your life. As Esther found grace and favour in the sight of King Ahasuerus, he raised her as the queen. At the same time, he raised and promoted a man named Haman and set his position above all princes. At one particular moment when Mordecai refused to bow before Haman, he sought to destroy all the Jews who were living throughout the kingdom of Ahasuerus.

So a decree was written to destroy and kill all the Jews. As the decree was proclaimed in Shushan, the city was perplexed. Many a times in our lives, we get perplexed when someone rises against us. Even today you might go through a situation where you have someone against you in your work place or in your college or in your close circle. What you have to do in such a situation? As the city of Shushan got perplexed, all the Jews including Esther looked to God in fasting for three days and God heard their cry. As you read the further chapters of Esther you will come to know that Haman was hanged on the gallows. God destroyed the enemy and the Jewish people were saved by the mighty hand of God.

*Esther 8:15 “....the city of Shushan rejoiced and was glad”*

The same city that was perplexed was filled with joy and gladness. God will do the same to you. You might be filled with sorrow; someone might have come against you and you might have got perplexed because of that person; your life might be in danger due to sickness or sin. Do not lose hope. Jesus Christ will give joy and gladness in your life. All you have to do is look to Him in prayer. He will be your refuge. He will drive away all the enemies those who come against your life. What they had desired to do in your life will happen in their life; but you will be safe in the gracious hands of God. You might be perplexed thinking about the uncertain future. Do not get discouraged for Jesus Christ will surely fill your future with joy and gladness. God will carry you, sustain you, protect you, bless you and will raise you.

# GOD will change your mourning

## into dancing

*Psalm 6:8 "... The Lord has heard the voice of my weeping."*

*Isaiah 38:5 "... I have seen your tears."*

You might be crying hard for the blessings of your life; you might be crying hard as you face so many problems in your life; you have no one around you to comfort you; sometimes you even doubt whether God is listening to your cries; so far you have no comfort in your life. Today God is promising you that, He has heard the voice of your weeping and have seen your tears. As He has seen your tears, He will do a miracle for you and bless you. When Jesus saw the tears of Mary, Martha and the Jews, He did a miracle for them by raising Lazarus from the death. (John 11:33-44) When Jesus saw a widow woman weeping for her dead son, He raised her son from the death and turned her sorrow to joy. (Luke 7:13-15)

As Jesus has seen your tears and heard the voice of your weeping; surely He will do a miracle in your life and turn your grief into joy. My dear friends; do not weep any more for, Jesus had seen your tears. There was a young man from India who went to work in Saudi Arabia. As soon as he got married, he took his wife along with him. Their life was filled with joy and happiness. Soon she got pregnant and so he sent her back to her father's place in India for child birth. Everything was well in his life until one day he found out that his health condition was not that good.

He went to doctors and they diagnosed him and found that he was having cancer. Doctors told him that he will die very soon. His happiness went off once he heard the news of cancer growth in his body. He didn't know what to do. He could not tell his wife about his disease for she is far away from him and was about to give birth to a child. With no one around him to comfort, he faced the horrible darkness of death.

One night he felt so bad about his future. He could not think of his wife as a widow and his child being fatherless. As he could not bear the pain, he wept to the Lord so badly that night. Jesus Christ heard the voice of his weeping and He appeared to him in a bright light saying: "My son, you will live." Soon Jesus disappeared and he felt a divine peace in his heart. The very next day, he ran to doctors and told them that he got healed. Doctors laughed at him but, he insisted them to diagnose him again.

When the doctors diagnosed him, they were so surprised to see that there were no signs of cancer in his body. But they told him that he lost his ability to give birth to a child because of the effects his body went through. But He trusted on the promise gave by Jesus Christ. After few years from the birth of his first child, God gave him another child and even today he lives happily with his family.

My dear friends, people might say something against your life and your future. Do not get discouraged for God's promise alone will come to pass in your life. Jesus Christ has seen your tears and heard the voice of your weeping. Surely He will do something new in your life and will bless you. You will live happily. God be with you and bless you.

# GOD will give you **REST & PEACE**

Today you might be in a situation where you have no peace of mind in your life. You don't like the path that you are going on in your life now. You don't have happiness in your heart because; nothing you expected is happening in your life. You are just living for the sake of living. You might have lost all the interest to live. Do not get discouraged. The God who has created you is promising you that He will give you rest.

***“Come to Me, all you who labour and heavy laden, and I will give you rest.” – Matthew 11:28***

My dear friends, Jesus Christ will give you His peace and rest. It's enough that you have carried your burden and gone weary. Leave the burdens of your heart and mind at God's feet for He will give you rest. So far, life might not have brought much happiness you have longed for. Look unto Jesus Christ. He will turn all your grief into joy and He will give you happiness that you are longing for.

Your sins might have brought guilt in your life; you might be facing difficulties in your studies; you might not have got the job you have longed for; you might be waiting so many years for a particular blessing to be bestowed; you might have problems in your family life and relationships; you might have lost peace in your heart because of the people around you. Do not lose hope. Jesus Christ is there for you. Look to Him and surely He will turn the situations of your life for good and He will give you rest and peace.

I came to know the life of a particular person who works in my work place. When she was doing her Bachelor of Science (BSc) degree, her father told her that only if she gets good marks in her UG degree course he will make her to study Master of Science (MSc) degree. She kept on praying to God for good marks and by God's grace she scored more than 80% in her BSc degree. She was so happy and she got in a good college to pursue her MSc degree.

She was living her life happily. But a tragedy soon struck her family. Her sister who is of very young age whom she loved very much died in an unexpected way. Her whole family was shattered. She doesn't know what to do. Soon she returned to her college to continue her course but she was unable to concentrate on her studies because of the tragedy she went through. She lost her peace and there was no rest in her mind. Her mind was filled with so many questions for which she could not find answers at all.

Soon her mental state became worse and she could not continue her studies. So she discontinued her studies in the mid-way and returned home. Her family members could not do anything to help her come back to normal state. The money that her father paid for her master's degree course also was lost.

She lost her peace and hope about her future. She decided to look to Jesus Christ for help. She believed that God alone can change the situation of her life. So she poured out all the burdens of her heart at the feet of God and decided to apply for MSc course again in another college.

**She applied to a famous college in her city. A recommendation was preferred to get admission in that college. She had none but Jesus Christ. She kept on praying and one fine morning, God spoke to her saying, "You got selected". On the same day she got her admission letter and she was so surprised to know that she got selected without any recommendation at all.**

**Soon she joined that college. After few days she came to know that another girl who is studying in the class also has the same name as her. The name and even the initials also were same. That girl had a recommendation from a higher official who works in that college. That particular higher official called his office staff and told the girl's name and asked him to send the admission letter to that girl. The office staff went to search the address from the list of applicants but he was confused as there were two similar names.**

**At the same moment, God directed his heart to choose her name instead of that girl's name and he had sent the admission letter to her. By this way, God did a miracle in her life providing her a peaceful and rest filled mind. At one moment, God worked a miracle for her and she got blessed. The same girl who struggled to finish her MSc degree course and discontinued in half way was blessed by God in such a way that she hold a doctorate (Ph.D.) degree today.**

**Jesus Christ can do the same miracle to you today. He will not let your family life to break. He will not let you fail in your course. He will not let someone to stop your promotion. He will not let your foot to slip.**

**Jesus Christ will give you His peace and you can rest in His bosom. Pour out all your burdens to Him.**

**"I will give you my peace and rest. I will wipe away all your tears. In my time, I will bless you and raise you. My dear child, do not lose your heart for I am your Father and I will not leave you comfortless. Surely I will bless you and fill your life with joy and happiness. You will live a life filled with blessings" says Jesus Christ to you.**

**So my dear friends, do not worry about your life. God will surely do a miracle and He will give you His rest.**

**GOD  
will give you  
REST & PEACE**

# GOD wants intimacy with you

***Exodus 24:12 “Then the Lord said to Moses, “Come up to Me on the mountain and be there; and I will give you tablets of stone, and the law and commandments which I have written, that you may teach them.”***

Many a times in our life we long to hear God's voice but yet we could not hear His voice. Not only, you long to hear the voice of God but you also long to preach God's word to others. Today Jesus Christ is telling you: "My dear child, come up to Me and be with Me." If you have to hear God's voice and to preach His word to others; you have to get closer to God. What will happen when you get closer to God?

The above verse says, "...***I will give you the law and commandments which I have written, that you may teach them.***"

Once you get closer to God, He will give His commandments to you that you may be able to preach them to everyone around you. Even today Jesus Christ wants to speak to you about everything concerning your life and the lives of others. All you have to do is to get closer to God. I know a great servant of God. Once while preaching, he told about his experience with his dad. In his family, he is the one who is so attached to his father. Every day after returning from the office his father used to make him sit in his lap and used to teach him about so many things. They used to speak for hours together. Being a little guy he was so proud and happy about the love of his father.

There came a day, his school teacher reminded him about the last date for paying fees. The last day to pay the fees came and on that day morning only he remembered about the fees payment and so he ran to his father's room to ask for the money. But on that day his father left for office so early. He knows that unless he pays the fees; the school authority will not allow him to attend the class. So he went to his father's office to get the money. From a long distance, he saw his father speaking to some people. He thought to himself that once his father sees him, he will run to him and will embrace him and ask him about his need.

With this expectation he moved towards his father. As his father saw him, he just ordered one of the people under his authority to go to his son and find out what does he need and to do the needful. His father never ran to him at all but he just fulfilled what his son needs through another person. The servant of God related the incident like this: "Being in private, in our home my dad used to speak to me very differently than the way he speaks to me in his office or in other public places. In private, he used to clear all my doubts and teaches about so many things to me. But in public he speaks simple words which just fulfil my needs."

Similarly when God speaks to us in a public meeting he speaks simple words through his servants which fulfil our needs. But if we get closer to Him in private prayer time or Bible reading time, He will teach us so many things and strengthen us to preach His words to others."

My dear young friend, Jesus Christ wants you to come closer to Him. He wants to speak to you. He wants to reveal His heart's desire to you. You might say that you have no strength to move on in your life. Do not be discouraged. Get closer to Jesus Christ. Pray well. He will strengthen you. He will speak to you and will bless you.
